Scouts Return to Summit Vacation Resort in Canyon Lake

The Campout started out with unusual mild temperatures in the 70's with our hosts the Bowens arriving on Wednesday and greeting everyone coming into the park. Thursday arrivals were the Gabriel's, Carlisle's, Shadrock's, Buckner's, Cook's, Kreger's, Wolfe's and Roden's. Friday brought in the Cornell's and Kennett's.

On Thursday, several members were playing games on the picnic tables outside. For Dinner, some ate indoors while others did some grilling outside under the flashlights. Later we enjoyed some more games in the club house playing Texas Hold'em and others playing thirteen.

Friday found most just stayed around the campers in between rain showers. In the afternoon they started playing games and we were visited by Finis and Edie Collins for the afternoon and evening. For dinner Tom Bowen made reservations for us at Ed's Old Windmill Restaurant in Canyon Lake. This was the same owner from the Lakeside restaurant we had eaten at in November 2002. Several had the all you could eat catfish while other had a variety from steaks to chicken. We finished the night playing games in the clubhouse.

Saturday morning started around 5:30am for everyone as a Thunderstorm came in with very heavy rain. Most everyone enjoyed the breakfast tacos at the clubhouse and the fantastic Champagne Breakfast served by Kay and Tom Bowen. Coffee, yummy doughnuts and mimosas gave a great start to a very rain day. Several members got up a little late and were unable to get across the road to the main clubhouse as the Dry Creek bed rose and went about 3 feet above the road. After about 1 hour, it receded. Mostly we stayed in the main clubhouse since the rain continued steady till about 3pm.

Following the feast Carlton Kreger conducted the business meeting. Kathy Gabriel is working on the 2008 Schedule and for this year we are in need of host for the following months, April, May, June, August, September, November and December. If interested please email Kathy or Carlton.

Sunday morning the rain continued with temperatures in the upper 30's. A wonderful breakfast buffet was served in the clubhouse leaving everyone with a warm feeling on this very cool and rainy morning. Last minute goodbyes were said and everyone was hooking up and heading out in the rain before it would get colder.
