## Scouts Return to Parkview Riverside RV in Concan

We had beautiful weather this weekend with cool clear nights and blue sunny days.

On Thursday we had the Kregers, Carlises, Hodges, Shadrocks, Buckners and Brattens. On Friday, the roster was completed with arrival of the Rodens, Collins and Smith's.

Thursday evening we grilled food for the evening meal. Afterwards several watched the Spurs Game and others played "13", with Marie and Arline being the winners.

Friday found some of the group driving over to Utopia for lunch at the Hick's House. Which is owned by a Nurse that used to work at the Utopia Clinic and their Daughter who is now a chef started with just baking and catering. They then bought this old house and converted it into a restaurant with tables in the different rooms of the house serving lunch.

Friday evening several went into Leakey for dinner at the Lodge, while others ate at their trailers. Games were played in the afternoon and evening. The Park also had a new video game called

Wii, which Carlton played while others watched.

Saturday found several walking around the park and down by the river. Jack Roden took advantage of the river by bringing his kayak and oaring up and down the river.

As usual, Saturday night's potluck was great. Robert Bratten was feeling under the weather right before the dinner and Nona had already prepared their potluck. We then filled their plate up and took back for them to enjoy later. The special part there was the birthday cake that Arline made and Edie and Martha placed candles on for Carlton Kreger. Which everyone sang Happy Birthday.

Pam Smith brought her mother, Joanne Kolosik with them and we enjoyed her company for the campout.

We wound up the rally Sunday morning with a continental breakfast served by our hosts, Carlisles and Collins. Eggs Royal with Ham and Homemade Muffins.....how good can it get!

## Birthdays and Anniversaries

Edith Collins handed out birthday cards to Carlton Kreger. Not present to be honored were Dan Gabriel, Ben Peek, Ann Carson, Jo Cornell and A.J. Metting.

Anniversary celebrants were the Hodges. We send our best wishes to the Servis, who were not present.

## Member Updates

The Peeks and Cornell's are in Victoria staying at Lazy Longhorn RV Park for the month to get away from the Cedar area and will join us next month at the campout.

The club would like to offer our condolences to Fred Klostermann and family on the loss of his mother.

Several members have also been sick and or under the weather and we would ask for prayers for them: Tom and Kay Bowen, Hazel Teague, Daniel Gabriel, Janell Wolfe, Eleanor Biggs, Johnnie Servis.

## February 8-10<sup>th</sup> Campout at Boone RV Park in Lampasas

The Men will be preparing the Saturday Potluck Dinner. This will also be our 1<sup>st</sup> scheduled meeting for 2008. Hosts for February will be the Bratten's and Updike's.
