Club Visits Braunig Lake RV Resort

The Lone Star Scouts enjoyed the campout at Braunig Lake RV Resort in Elmendorf. Twelve rigs was the count.

Thursday arrivals were the Burns, Stephens, Klostermans, Kregers, Hodges, Gabriels, Collins, Carlisle, Bowens, Shadrocks, Wolfes, and Cornells. Jack and Sharon Roden joined us on Saturday for games and dinner.

Braunig Lake is a great place to have a campout. The park hosts were extremely nice and accommodating.

Thursday evening we had hot dog, chips and a drink for \$1.25 an inexpensive dinner. Bingo was played in the clubroom after dinner and several attended with the big winner being *Kathy Gabriel*. We not only had fun we learn a few one-liners by playing bingo. When the number 55 is called out the audience responds with 55, 55,5,5,5 and for 22 is toot-toot and 74 means grandma and grandpa is 75. We have now become seasoned bingo players.

Friday some of the group toured the Missions while the rest visited, played games and napped. Dinner Friday night was hosted again by the park and they served homemade meat loaf, potatoes and steamed vegetables with Texas cake and tea and coffee all for \$5.50 each. The food was awesome.

Saturday started with the park host serving a breakfast of eggs, bacon or sausage and toast for \$3.00 or you could get an omelet with bacon or sausage for \$5.00. This sure beats cooking breakfast.

On Saturday, several went to the SAS store in San Antonio to get shoes and 5-cent popcorn. The store is packed with all types of goodies that you can buy to eat or for gifts. This trip was topped off with a stop at Big Lots.

Saturday potluck dinner was a success as always. We had a many wonderful dishes and deserts.

The last tour of the Shiner Brewery is at 1 pm on Friday so make plans to get there early. In addition, if anyone is interested there are tours of the painted churches.

Other Notes:

Ben Peek is recovering from Shoulder Surgery and started rehab last week and is doing some better every day. We miss both him and Janie and wish him a speedy recovery.
