March Campout in Seguin has Large Turnout

The Lone Star Scouts had a great turnout for our March rally at River Shade RV Park in Seguin.

Twenty-one rigs rolled in for this get together....the following rigs were in on Thursday: Bowen, Carlisle, Coleman, Cook, Gabriel, Hodges, Kreger, Peek, San Miguel, Sellars, Servis, Shadrock, Stephens and Wolfe. The gang was completed Friday with the addition of the Buckners, Burns, Collins, Cornells, Kbstermanns, Rodens and Rogers.

Members either grilled or ate out on Thursday evening. The Sellars and San Miguels found a good Mexican restaurant...Casa del Sol... down the road.

Friday found a number of our members wandering around and shopping at Wal-Mart...just up the road. And two of our golfers..... Larry Sellars and Loyal Cook went to a

nearby golf course to tune up their skills in preparation for a Saturday game that would also include Denny San Miguel and Ron Rogers.

Friday evening, some of the group went to Davila's Restaurant for all you can eat catfish and others went to Casa del Sol, which was discovered on Thursday by some.

On Saturday morning, Jack did some kayaking down the Guadalupe River. He took photos as he went down the river and those pictures were downloaded to Carlton's computer for everyone to see.

We had another great potluck dinner Saturday night. The game tables really heated up after dinner.....there were four games going at once, including two games of Texas Hold'em, plus Train and Spinner.

Our hosts, the Shadocks and Hodges served fresh baked cinnamon rolls at the Sunday morning potluck breakfast. Coffee, fruit and juice were also on the menu. Thanks go to these fine people!

Birthdays and Anniversaries

Birthday cards were handed out by our assistant secretary, Edie Collins. Present to receive the club's good wishes were Johnnie Servis, Forrest Coleman, Carl Kreger and Marlene Stephens. Congratulations also go to Nan Updike and Don Mohr, who were not with us in March.

No members celebrate their wedding anniversary in March.

Thanks again go to our custom card maker: Marlene.

Other News....

We were pleased to see the Burns at the March campout. And they were excited that they were able to be there, after his harrowing past surgery experiences last fall. He left the hospital weighing 125 pounds. Welcome back Charlie and Janice!Don Clary is doing great after his recent surgery. Maybe the Clarys can begin to travel now.... Frank Shadrock was hobbling around with a cane. He had injured his knee and may have to undergo orthopedic surgery. Our club members sure are keeping the orthopedic docs busy!Edie Collins had a bad fall last week and was recovering from some cuts and bruises. She had to have several stitches.... Tom Bowen would like to thank everyone for all the cards, calls and e-mails he received while he was sick. Tom, we were glad to see you and Kay back with us this week end....Don Stephens,

always on the watch for something to photograph, found an old water wheel over near Luling that proved to be an exciting find....we'll bet he got some good "pics" to add to his award winning photo collection..... Paul and Hazel Primeaux drove over for Saturday night's potluck dinner.....guests for the potluck were Nicole Summer and her cute little daughter, Abigail. Nicole is the Rogers' daughter.....Bill and Johnnie Servis are now full timers and are not able to be with us often. They are going to serve as park hosts at a national park in New Mexico this summer.

April Rally

Our April get together will be held at Pecan RV Park in San Marcos.

New on our schedule, Pecan RV is "what the name says" ..19 acres in a pecan orchard on the San Marcos River." They have 100 campsites and the park features include an indoor heated pool. Nearby shopping? Yes...lots of it, including two large shopping malls and *Cabelas*! Also, we are close to our sponsor in Buda, Marshall's Traveland. It would be a great time to go up and see what Matt has on his lot.

Dates for the rally are April 11 – 13. Sign up deadline is March 28. You are urged to contact Carlton by that day if you plan to attend. We already have 19 sign-ups for April.

Our hosts will be the San Miguels and Rodens.

March was another fun campout.....the weather was great....the park has a scenic view of the river.....but most of all, it was another good week end with great friends!
