Spring has Sprung

The early ones arriving on Wednesday were the Hagars, Stephens, Servis and Kreger's. The Hagars fixed hamburgers and all except Servis ate outdoors under Don's big Lighted Tent. They all enjoyed it as it was a very nice evening.

We had beautiful, sunny days at Canyon Trail RV Park for our March rally. The Shadrocks, Gabriels, Burns, Hodges, Stanfields, Klostermanns, Collins, Cooks, Wolfes, Bowens and Buckners arrived on Thursday, joined by the Primeaux and Rogers on Friday. Fred and Alida arrived with a story about being stopped and interrogated by the Border Patrol – they were released when Alida confessed to having a medical test involving radioactive dye a few days earlier. . . apparently that's what made the machine go crazy.

Thursday evening, some folks went out to various eateries while some cooked at "home." Don Stephens brought his Dutch oven set-up and made campfire stew—it was really good to see him and Marlene again.

Many ladies hit the HUGE outlet malls on Friday and shopped until they dropped. Several reported finding bargains and treasures. Friday seemed to be the day of discovery for problems – Loyal had brake trouble, Finis had a phantom leak, and

the Burns' refrigerator died. Several folks went out to dinner at Mamacita's and all returned to the RV park for games and chatter that night.

Saturday was another perfect-weather day. The domino and card games went on inside the clubhouse, but some chose to read and/or take naps under shade trees. The Pot Luck dinner that evening was as delicious as always. Several guests were introduced: Janie & Loyal Cook's son-in-law, Celeste & Ron Rogers' daughter, son-in-law, and one grandchild, and Kathy & Dan Gabriel's son, daughter-in-law, and "Baby Boo". Games followed dinner and the Lone Woman at the poker table WON! Martha would be proud of Marie Hodges!

Sunday morning, our hosts Janice & Charlie Burns and Karen & Mike Hagar served a hearty breakfast of scrambled eggs, two kinds of sausage, biscuits & gravy, and juice.

Arline Kreger wants to thank everyone for taking such good care of her since Carlton was off working over the weekend.

Birthdays

Marie presented birthday cards to Johnnie Servis and Marlene Stephens. Since Marlene makes all the lovely cards for us, we were glad she received one of her own. Not present was Forrest Coleman.

Wanderings

Johnnie and Bill Servis are on the way to their summer job at Bandelier National Monument in New Mexico with several stops along the way. Karen and Mike Hagar are on their way to Salt Lake City for the National Genealogical Society convention. Others are off on adventures but your reporter forgot her notebook Saturday night.
