Lone Star Scouts Celebrate Fiesta!

A colorful Fiesta theme set the pace for the club's April campout at Pecan Park Campground in San Marcos. Our hosts, the San Miguels and Rodens had the rally hall decorated in a bright colorful fashion with lots of flowers and cascarones. Great job!

We had another large turnout. Wednesday found the Wolfes and Arnoldys in the Park. Thursday arrivals were the Bowens, Brattens, Carlisles, Collins, Cooks, Gabriels, Hodges, Klostermanns, Kregers, Peeks, Sellars, Shadrocks, and Stephens. The Biggs, Primeauxs, Rodens, Rogers, San Miguels and Webbs rounded out the group on Friday. That's 21 rigs! We keep getting these large turnouts. We must be having fun....

We followed our usual pattern with some of the group cooking on Thursday night and others eating out. Shopping excursions took place every day. We were near lots of shopping malls, plus Cabelas.

Pecan Campground is a nice park! It is well kept.....the sites are nice.....and park management is very nice. So lots of people just stayed in the park and enjoyed the scenery.

Friday night the group caravanned to "Grins Restaurant" for supper. Did we mention that San Marcos has a five o'clock traffic problem? Unfortunately, it was difficult to follow in the traffic and two of our gang missed the turn and did not get there. Sorry...

It was great to have Norman and Eleanor Biggs back with us and we were so happy and thankful to see them.

Saturday, our resident "pro" golfers....Loyal Cook, Larry Sellars, Jack Roden and Denny San Miguel went to Wimberley for another big golf game.

We had 46 people for potluck dinner Saturday night.....and, of course, it was great! The Cornells drove over for dinner. We were glad they could join us.

And our continental breakfast Sunday was something special. Laura San Miguel baked three casserole dishes: apple French toast, eggs & sausage, and broccoli and ham. Yogurt, granola, fruit, cinnamon bread and coffee were also on the menu.

Thanks again go to our hosts, the Rodens and San Miguels.

Birthdays and Anniversaries

Birthday cards were handed out by Edie Collins, our assistant secretary. Receiving the cards were Paul Primeaux, Charlie Hodges and Jerry Sellars. She also presented cards to our anniversary celebrants, the Shadrocks and Wolfes. Not present to receive their anniversary cards were the Smiths.

And once again, we thank Marlene Stephens for her card making talents.

Our Sponsor.....Marshall's Traveland

Several members drove over to Marshall's on Friday to say hello to Matt Wilkerson. We were pleased to hear that Matt was delivering new trailers to customers. One of the rigs was a new Sunnybrook product.....a Bristol Bay. Way to go Matt!

Oh yes, the Collins even found a 29 foot Mobile Scout that they liked..... And we know they are going to enjoy their new rig.

May Campout

Our May rally will be held at Big D RV Resort in Rockport on May 16 – 18. This will be our first visit to Big D.

A new park, Big D offers concrete sites with picnic tables, lighted fishing pier, swimming pool, pavilion and more. And Rockport is known for its coast line attractions and all of the neat restaurants in the area.

Want to go fishing while you are down on the Bay? Carlton will be going out Friday and Saturday and will be glad for the company. Let him know if you would be interested in going with him.

Sign up deadline for Big D is May 2.

Our hosts for May will be the Primeauxs and Rogers.

June Campout

Our June rally will be at Texas 281 RV Park in Bulverde.....very close to the Wolfe's house. In fact, they are going to be our hosts.

For Friday night, Jo and Janelle Wolfe plan to hold a barbecue for the club.....we usually all go out to eat. The Wolfes will have brisket, potato salad and all of the fixings.....they ask that members coming all pitch in to pay for the food. They will do the cooking. The Wolfes request that people bring their own chairs to sit on out on the patio. They will also need additional tables on which people will eat. More details will be furnished in next month's newsletter.

Sounds like fun!

Ben Peek
