**Scouts return to Big D RV Resort in Rockport**

First, let's talk about the weather. Oh....it was very windy, humid and cloudy for those who arrived in Rockport on Thursday afternoon. When went into town and all ate at China A, recommended by the park and all enjoyed.

Jack and Larry went over to the Naval Base to play golf. The Ladies played games in the clubhouse while the men sat outside and talked.

Friday evening we all went to the Big Fisherman for dinner.

Saturday started out with every ones trailer rocking, thunder and lightning and heavy rain lasted until about 11.

Those Thursday arrivals...who arrived were the Burns, Roden, Hodges, Klostermanns, Kregers, Shadrocks, Sellars and Webbs. Our group was completed Friday with the arrivals of the Primeaux and Wolfe.

The Ladies were playing Train and other card games. We played Texas Hold'em twice with Charlie Hodges and Larry Sellars the winners.

As expected, we had a great potluck dinner on Saturday night and Sunday morning was treated with Fruit, yogurt and pound cake by our hosts, Jack and Sharon Roden who did a great job.

### **Birthdays and Anniversaries**

Pat Webb handed out birthday cards to Fred Klostermann, Frank Shadrock. Not present to receive cards were Edie Collins, Don Stephens and Janey Cook.

Anniversary celebrants included the Webbs. Congratulations also go to the Arnoldys and Brattens.

As always.....thanks goes to our card maker, Marlene Stephens.
