## Scouts Return to Bandera

A hardy band of Lone Star Scouts ventured to Bandera, the Cowboy Capital of the World to hold their June campout. And "pardner," we had A good time!

Pioneer RV Resort, on the banks of the Medina River, was site of the June 7 - 10 get together. The river was flowing briskly, with all of the rains that they have had lately in that area.

Attending the campout were Tom & Maureen Arnoldy, Ben & Janie Peek, Dewey & Martha Carlisle, Fred & Alida Klostermann, Carl, Arline & Carlton Kreger, Frank & Barbara Shadrock and Frank, Sherry & Blake Lee. The Lees ...the Shadrock's daughter and son-in-law.... have been with us before.

Dan & Kathy Gabriel were able to drop by Friday afternoon and went with the gang to eat at Brick's Restaurant that evening.

And we were pleased that Don & Wanda Clary could drive over from Kerrville for Saturday evening's potluck dinner. Don and Wanda are back from their excursion to Branson where they attended a Mobile Suite get together....and to Indiana to get factory repairs. They are staying at Buckhorn RV Park in Kerrville. Don is getting his knee checked out.....a recent fall hobbled Don.

Thursday, we were on our own for supper, with several members cooking outside. Others went into town to eat. Friday night, we found a great place for dinner.....Brick's Restaurant, which overlooks the Medina River. Everyone seemed to enjoy their meals, especially the homemade bread.

Members found time to play games....sequence, Texas Hold'em, Mexican Train and other favorites during the weekend. Thursday night, the Spurs held center court. And we don't want to forget Friday night's Bingo game. White elephant prizes added some fun to the event. Bandera also has shops to visit...and so some people shopped and walked the town.

We were sorry to hear that Edie Collins fell, while working out in the yard last week, and hurt her knee. At first they were afraid she had a broken bone, but x-rays showed there was no break. It prevented them from coming to Bandera. Get well Edie.....we missed the Collins!

Also Barbara Shadrock's mother, Hazel was feeling under the weather and not able to join us, we

missed you and hope you get better.

Did you say you like strawberry daiquiris? Then you should have been here. Tom Arnoldy had his blender going and really turned out some good ice cold summertime drinks!

We had another treat with Sunday morning's breakfast. Have you ever eaten or even heard of sweet potato pancakes? That's what the Carlisles had on their menu, along with traditional pancakes, sausage, coffee and juice. Good job, Dewey and Martha...those pancakes were very good.

## Nominating Committee

Carlton named three volunteers to the nominating committee for our 2008 club officers. They were Dan Gabriel, Martha Carlisle and Maureen Arnoldy.

## It's Summertime

It's summertime and a lot of our members are on the road.....some to International.... and others to cooler climates. Headed for Goshen, Indiana and the Sunnybrook International rally are the Primeauxs, Rogers, San Miguels, Rodens, Buckners and Wolfes.

Have a great time, you guys, and drive carefully!!

## Birthdays and Anniversaries

Tom Arnoldy was presented with a birthday card by Martha Carlisle, our assistant secretary. Tom was the only June birthday celebrant at the campout. Nona & Robert Bratten and Joe Wolfe are other club members who call June as their birthday month.

We wish extended wedding anniversary congratulations to the Gabriels, Updikes, Biggs and Rodens

## August Campout

Our August campout will be held at Hi Line RV Resort on Lake Buchanan. Dates are August 10 - 12. The park has a view of the lake.....there's also a swimming pool for summertime relaxing. *Carlton is still looking for a member to serve as host in August.*

Deadline date to sign up is July 27.

*Ben Peek, Reporter*
