Lazy Longhorn RV Resort – Victoria Texas

Mobile Scouts return to Lazy Longhorn. In spite of the hot humid climate, we had a good turn out of 13 rigs at the June camp out. Not much outdoor activities going on.

Members that attended the campout are the Bowens, Burns, Collins, Carlises, Shadrocks, Kregers, Hodges, Webbs, Cornells, Rodens, San Miguels, Sellars, and Stephens.

Welcome back Larry and Jerry Sellars. We missed you while you were away.

Thursday through Saturday we had tables of Train, Holdem and Spinner. One of spinner games we played with black and white dominoes which were fun and challenging, especially when certain players were trying to make the dominoes symmetrical.

There were several places to have lunch but the most popular was the Rosebud Fountain and Grill. The city of Victoria was known as the city of roses in 1920's - 1940's era. Also, the Victoria Rosebuds were a minor league professional baseball team that was based in Victoria from the 1920's. The owners of the Rosebud Fountain utilized these historic elements in the naming of their vintage restaurant. The restaurant is locally owned and has a 1940's era theme. The food was great and they have the best malts that are to die for.

Friday - all went to dinner at the Baytown Seafood restaurant and the fish was excellent and dinner was enjoyed by all. We had a special treat afterwards. Sharon Roden and Laura San Miguel baked three cakes (coconut, lemon and strawberry) in the microwave and it took only 45 minutes and they were very good.

Saturday - Ted and Debbie Kennett drove from Belton and we all enjoyed visiting with them.

Saturday our potluck dinner was outstanding. Janice Burns made an avocado salsa that had us asking for the recipe. Carlton said he would post on the website.

Frank thanked everyone for their cards and emails on his mother's passing, especially the Kreger's and Primeaux that attended the Rosary.

Steve Webb read a story that he had presented to his wife, Pat at her 60th Birthday Party.
