June, 2010

The Scouts met at Texas 281 RV Park in Bulverde for the June rally. The RV sites were under and between massive live oaks and the club house was a lovely old rock home.

The Shadrocks, Gabriels, Burns, Hodges, Kregers, Collins, Peeks, and Hickmans (who came as guests and left as members) arrived on Thursday, joined by the Buckners on Friday. The Webbs commuted to the rally without their trailer since they live about two miles from the RV park.

Many of the group went out for Mexican food Thursday evening where they were joined by Joe & Janell Wolfe, along with their daughter and Janell's mother.

Friday some of the ladies went shopping, while others played dominoes, and the men relaxed. First casualty . . . the Gabriels' refrigerator died. That evening, several folks went out to eat at Buck and Ozzie's, then returned to the RV park for games, snacking (yes, Janice brought those cookies!), and chatting.

Saturday dawned another Texas-warm day. As usual, folks enjoyed various activities . . . some ran around, Finis & Edie visited a friend's art gallery in Boerne, and some played games in the clubhouse. Second casualty . . . the Buckners' refrigerator died. Carlton's friend Joann joined us for the day and others joined us late Saturday afternoon – minus trailers – the Stephens, Primeaux, and Rogers.

Saturday evening, everyone enjoyed another scrumptious pot luck dinner, followed by a short meeting. Kathy announced the schedule for next year and said it was no longer easy to find places for under \$25. John and Janice Hickman joined our friendly group. They have a Sunnybrook toy hauler.

Marie presented a birthday card to Pat Webb and anniversary cards to the Gabriels and new members, the Hickmans. Not present for Birthdays were Joe Wolfe and Nona Bratten. For anniversaries were the Rodens and Sellars.

Sunday morning, our hosts the Kregers and Gabriels, served a delicious continental breakfast.
