Scouts return to Portland

The Seabreeze RV Park in Portland was site of the September rally for the Lone Star Scouts. The Burns arrived on Wednesday with the following all arriving on Thursday, the Brattens, Clarys, Carlton Kreger, Shadrocks, Gabriels, Carlisles, Primeaux, Klostermann, Wolfes, Rogers, Rodens and San Miguels.

Thursday evening several cooked food on the barbeque pit while others went into town and ate at HuDats. Afterwards games were played in the clubhouse.

Friday morning dawned early for a few adventuresome souls who set off into the sunrise to fish namely Jack, Dan, Ron and Carlton with his boat.

The rest of us (the smart ones) slept in. After breakfast and some walking, most of us went to the clubhouse for some fun and games. It was the kind of day to just relax and catch up on each others summers. There were a few who decided to go shopping, but most just stayed in and kept cool. Robert Bratten brought the movie "RV" and several enjoyed watching it in the clubhouse Friday afternoon. We were all busy playing games and waiting to go to the Big Fisherman for dinner, when our own big fisherman returned (with one big fish). Well---just then Ms. Martha But flew into action and ran out of the clubhouse and tore open the bag of "fish guts"; she was a woman on a mission. She sifted through all the gushy guts and came up with her treasure (scales). This was the highlight of the day for most of us, and Martha will forever be known as: Ms. Martha But and Guts!!!

Friday evening, all went for supper to The Big Fisherman in Rockport that was recommended by the Clarys. It was great. After getting back to the park, everyone was invited back to the clubhouse for dessert furnished by Celeste Rogers for Hazel Primeaux's Birthday. They had apple and cherry crunch with ice cream. Card games and train followed. The Carlisle's granddaughter came by Friday night and enjoyed games.

Saturday morning we woke up to moisture on the ground from an early morning rain. Most went to the clubhouse for games and relaxation from the big meal the night before. Martha had announced she was having a Texas Hold'em tournament at 2 o'clock with a \$2 fee to play. There were 7 that

participated which were Martha, Dewey, Fred, Robert, Don, Kathy and Carlton. First Place was Martha, with Carlton with Robert's help second. While playing in the clubhouse we enjoyed a steady rain for several hours outside.

Saturday night, the group had their usual pot luck dinner, which featured a nice variety of food. The Shadrock's grandson and his wife came for the day on Saturday and joined us for potluck.

Sunday Paul and Hazel Primeaux, hosts for the campout, served a breakfast of fruit and a variety of donuts along with juice and coffee.

Birthdays and Anniversaries for September
