## Club Returns to Pioneer RV Resort in Port Aransas

Nestled among the dunes of Mustang Island at Port Aransas sits Pioneer Beach RV Resort. This park was the site of the Lone Star Scouts September campout and it found 10 rigs rolling in for the week end.

Tuesday arrival was the Bratten. Thursday was the Bowens, Carlisle, Gabriel, Shadrock, Klostermann, Burns, Hagar and Kreger's. Friday found the Primeaux completing the group.

Thursday night several went into town to eat while others grilled Hot Dogs and ate outside . Several went to the club house and played Texas Hold'em and card and domino games.

Friday several took the trolley to town for shopping and sightseeing. The Beach looked great, very clean and several walked down there. The wind was not blowing that much this weekend, but the **Texas Size Mosquitoes** carried us Away! We all went to eat at Castaways for dinner which was enjoyed by all. Jack and Sharon Roden also were able to join us for Dinner, they are down for the summer staying in Aransas Pass. Games were played afterwards in the clubhouse. Several also enjoyed the pool and hot tub.

Saturday, several played games during the day, Jack and Sharon came over and played games and joined us for the Potluck Dinner, which was very good as usual. After dinner, Paul Primeaux talked about the International Rally. They were the only ones there from Texas. There were about 117 rigs. Paul found RCMI had a whole box of leftover Mobile Scout shirts from past and bought those and let us pick out any we wanted. He still has some left and will bring to the next campout. Thanks to Paul and Hazel Primeaux. Games were played after dinner, also Jack and Carlton played Washers and then others watched College Football on the Large TV in the clubhouse.

Serving as hosts in September were Charlie & Janice Burns and Fred and Alida Klostermann. They did a fantastic job! The continental breakfast was very good, fruits and donuts with juice and coffee. We also had several snacks and popcorn throughout the weekend.

Janice Burns brought some more doilies and let the ladies pick some more out. They are very nice gifts.....it was a nice gesture from the Burns. Thank you Janice!

## Birthdays and Anniversaries

Kathy presented birthday cards to Hazel Primeaux and Dewey Carlisle. Not present were birthday celebrants Marie Hodges, Bill Servis, Ted Kennett, Sharry Buckner and Ron Rogers..

Anniversary congratulations go to the Cornell's, who were not present.

## Member Reports

The Buckner's and Cornell's are on their way back home and will be joining us in October.

Charles Hodges had another setback since the last email. He ended up back in the hospital for a week with heart issues and low blood pressure. I spoke to Marie last Thursday and he was doing better, but still weak and they are having to find a Cardiologist now. The infection in his lung is still there and the doctors changed his antibiotic again. Please keep Charles Hodges in your prayers.

The Burns are in the process of moving to Kerrville from Harlingen. They should be all moved in by early October.

## October Rally Will Be in Brackettville

In October, the club will hold their monthly campout at Fort Clark Springs RV Park. Rally dates are October 8-11th. This will be our second time at this park.

We will have a Fish Fry on Friday night, Fish is provided by Curtis and Carlton and they will be frying it up. Jo Cornell will make homemade Tartar Sauce.

We ask the rest of the members attending to bring Cole Slaw, Potato dishes, hush puppies and dessert.

We will have our normal Saturday Potluck Dinner.

Hosts for the campout will be the Kreger's and Gabriel's.

Sign up deadline is September 25th.
