

September 2015 Newsletter

September's campout was at Seawind RV Resort in Riviera, Texas

Each day the usual games began while some toured or shopped in the town of Kingsville and others went fishing in Baffin Bay.

Thursday evening many of the group went to Kings Inn and enjoyed seafood at its finest.

Friday evening brought the thunder and lightning. We received 3 inches of rain. Sure wish we could have brought some home.

Saturday evening's potluck was again a huge success. Thanks to all the wonderful cooks.

After Saturday's meal we played a game of Bunco. It is an easy game of dice throwing and it was played by both the guys and the gals. Positive comments were received so hopefully we can play this again in the future. It was great to get the guys out of their lawn chairs into the rec hall playing a game together with the gals.

Everyone was disappointed that Fred and Alida Klostermann were not able to join us. Neither is able to drive.

Sunday morning, our hosts treated us to eggs, sausage and biscuits, to send us on our way home. Janice, Charlie, Tommie, and Larry, thank you again for being such wonderful hosts.

Happy September birthdays go to Marie Hodges, Leo Slaton, Hazel Primeaux, Bill Servis, Ted Kennett, Sharry Buckner, Dewey Carlisle, and Ron Rogers.

Happy September wedding anniversaries go to Curtis and Jo Cornell, and Roger and Marsha Schrank.

Next month's rally will be at Miller's Creek in Johnson City, Texas, October 15 through 18.

Hope to see you next month,
