Miller Creek RV Resort

This is the first rally at the Miller Creek RV Resort in Johnson City. We enjoyed pleasant weather, which is a welcome relief from the remnants from Ike.

On Thursday, we had the Gabriels, Kregers, Hodges, Shadrocks, Brattens, Cooks and their guests Ron and Sharon Shaw, Collins, Farris, Stephens, Bowens, Cornells, and the Wolfes.

Thursday evening we grilled for the evening meal. Miller Creek has a great outdoor area that includes a pit for grilling, table and chairs and a hot tub. After dinner, we all headed for the clubhouse to play train, sequence and "13".

Friday morning the shoppers headed into Johnson City, then in the afternoon we went on a tour of the Real Ale beer tour and tasted five types of beer and re-tastes on our favorite selection. We had a great time.

We all went to dinner at the Feed Mill in Johnson City, which we all became food critics after dining at this place. After dinner, the women enjoyed playing games, while the men sat around the campfire discussing manly stuff.

On Saturday, some of the campers went to Fredericksburg to see the wood carvers who were setup in the town square.

Saturday's potluck dinner was wonderful; there were many varieties of casseroles and salads.

The rally concluded Sunday morning with breakfast hosted by the Stephens and Farris. Two different breakfast casseroles, sweet rolls and fruit were served. It was very delicious.

Birthdays and Anniversaries from September and October

Edith Collins handed out birthday cards to Tom Bowen, Marie Hodges, Dorothy Farr and Arline Kreger. The anniversary cards went to Jo and Curtis Cornell and Edie and Finis Collins.

Those not present for birthdays were Hazel Primeaux, Bill Servis, Ted Kennett, Sharry Buckner, Dewey Carlisle, Ron Rogers, Steve Webb, Denny San Miguel and Terry Harrelson. Anniversary were the Mohrs.

Thank you from Miller Creek RV Resort Staff

Miller Creek would like to return the compliment on your Rally group. Everyone was so nice and friendly. You left the recreation hall better than you found it and we do appreciate it. Thank you for bringing your group here and we look forward to seeing you again soon.
