### Scouts Return to Old Fort Clark Springs

Early Arrival was Bratten's on Tuesday. Thursday was followed by Gabriel's, Kreger's, Bowen's, Klostermann's, Shadrock's and Buckners. Coming in Friday were the Primeaux and Rogers.

Was a little warm and breezy on Thursday ahead of the cold front. It blew in Friday morning around 4am, strong winds, some thunder and a little rain. By morning was all clear and we had a Beautiful Sunshine day, with a North wind blowing.

Thursday evening most everyone grilled food and ate in their trailers.

The Cornell's trailer got stuck in the mud at their house and they just drove up for Friday afternoon and night and stayed in the Fort Clark Motel.

With the beautiful weather, everyone was outside enjoying it. Several of the ladies were in playing train.

The park is like an oasis in the desert with many big pecan trees for shade and sparkling streams with lots of green grass surrounding the area.

Friday evening was our Fish Fry, fresh catfish from the Cornell's and Kreger's. Everyone else brought side dishes for a Great Meal. Thanks to all who helped out.

Four of the ladies went to a Bingo located in the fort. Carlton took them their and picked them up. Andy they were Jo, Kathy, Sharry and Arline. Sharry was the only winner.

Texas Hold'em had new players this weekend with Dan and Kathy and Curtis joining in on the fun.

Others were playing train and card games. Some did sightseeing in Del Rio, Fort Clark and enjoying all the wildlife in the park area, many deer and wild turkey.

Saturday was another great potluck had by all. Sunday morning breakfast was Biscuits, Sausage, gravy, butter, jelly with coffee and juice.

Hosts were the Gabriel's and Kreger's.

## **Birthday and Anniversaries**

Arline Kreger and Tom Bowen were presented cards by Kathy. Not present were Terry Harrelson and Edie and Finis Collins who celebrated an anniversary.

## **Sponsor News**

Matt Wilkerson left Marshalls Traveland last month. On top of that Marshalls is going out of business the end of this month.

We will probably not have a sponsor due to the closest Sunnybrook dealer being over 150 miles away. The last couple of years they were only paying for the website. This runs \$120 per year which we will discuss at our meeting next month.

## **Election of Officers next month**

Our Election of officers will take place at this rally, which is a general meeting for the club. Dan Gabriel will be emailing out the nominees and ballots later this week.

## **Members News**

Martha Carlisle has pneumonia and they were unable to come this weekend.

Finis Collins is also under the weather and was returning from an Art Trip to New York.

Jerry Sellars is recovering from Hip Surgery and hopes to join us next month.

Charles Hodges is still recovering from his surgery in July. Several members talked to him and he is doing much better, walking 1 mile and eating better. They hope to join us in December.

Coleman and Carson were hunting in Wyoming and have just returned from Kentucky. The Harrelson's have been busy with their 2 new granddaughters. They are now getting ready for the Hunting Season.
