

October 2014 Newsletter

Hi everyone. Our rally this month was at Miller Creek. By Friday we had 13 rigs. The weather was great, finally had some cool mornings.

The Kregers, our hosts for the weekend, did a great job decorating the rec hall for Halloween. Mr. Jeeves, the butler, greeted everyone with candy when entering the rec hall. He caught some of us off guard scaring the devil out of us. On Sunday they provided a “build your own taco” bar which was very delicious. Thank you, Joann and Carlton, for a job well done.

Sharry and Al Buckner had an unexpected problem on the way to the campout. The wheel bearing on the trailer burned causing the tire to blow, tearing the fender off, and scattering the contents of the compartment all over the highway. Fortunately Al brought the rig to a safe stop and no one was hurt. They rigged it up so that he could tow it back to Kerrville. Hopefully their rig will be repaired before the next campout.

Some of the ladies went shopping in Blanco and some of the guys went to Perdenales State Park. See the great pictures on the website. By the way, the state parks now charge \$6.00 per person for admittance with an additional charge for camping.

Expecting bad weather Thurs evening most everyone decided to go out to eat and grill on Friday instead.

Saturday night was again a delicious pot luck meal. Thank you ladies for your wonderful dishes.

Dan MacDonald, Kay Bowen's son-in-law, had ankle replacement surgery and is doing well. He was in the hospital for two days and is now home recovering using a knee scooter to get around.

Barbara and Frank would like to thank Charlie B and Carlton for their help when she fell Saturday. Luckily she wasn't hurt.

Pat had hand surgery since returning from the campout and now is learning how to be one-handed. Pat, hope you have speedy recovery.

Happy Birthdays in October to Marsha Schrank, Arline Kreger, Steve Webb, John Hickman, Denny San Miguel and Terry Harrelson. Happy Anniversary in October to Finis and Edith Collins.

Next month's rally will be on Nov 6-9 at Lazy L&L in New Braunfels. We will have a general meeting. Hosts are needed for 2015. Please sign up.

Hoping to see you next month,

Janice Shadrock
