

## December 2014 Newsletter

December brought our rally back to Skyline RV resort in Bandera for the fifth year in a row. By Friday we had 18 rigs in attendance. We were happy to see Al and Sharry finally got their trailer out of the repair shop to join us.

The weather was fair but that didn't stop all the Christmas spirit. We enjoyed each other's company, played our usual games and of course went shopping. Several went to the Camp Verde Christmas celebration on Saturday and reported that they had fun along with great goodies to eat.

The rec hall was beautifully decorated for Christmas by the Kreger's . We even had mistletoe above the doors which some had fun with. Thank you Carlton and Joann, for another job well done. And thank you to Celeste for the mistletoe.

Saturday night after we all stuffed ourselves with the wonderful Christmas pot luck dinner, we had loads of fun with Santa Carlton and our Chinese gift exchange. Carlton did a wonderful job as Santa.. The gifts were great and again we had some fun steals. We also had a raffle of flower arrangements and stuffed animals donated by the Kregers . We played 50/50 which raised \$84 and the winner of half was Mary Taylor.

We are happy to welcome new members to our club, Guy and Frances Turner.

Happy December birthdays go to Alida Klosterman on the 10<sup>th</sup>, Sharon Roden 12<sup>th</sup>, Martha Carlisle 15<sup>th</sup>, Vinton Stanfield 16<sup>th</sup>, Debbie Kennett 16<sup>th</sup>, Barbara Shadrock 17<sup>th</sup>, Kathy Gabriel 18<sup>th</sup>, and Curtis Cornell 30<sup>th</sup>.
